Table Reservations & Decorations

How much does it cost to reserve a table to decorate?

Table reservations are free for Chamber Members.

How do I reserve a table?

Easy! Just let the Chamber know you'd like a table, and they will set one aside for you.

Are the tables round or rectangle?

Both! If you have a preference, let the Chamber know.

Do I still need to pay to attend if the table is free?

Yes. Admission is still \$20 per person in advance or \$25 at the door, regardless of table reservations.

Are there rules or restrictions for decorating a table?

Just one-have fun with the Roaring '20s theme! There are no size limitations or decor restrictions, so get creative and festive.

What should I do if there are open seats at my table?

We encourage you to make your table inviting by placing a small party favor or treat at each seat, along with information about your company or organization. This is a great way to welcome guests and help them learn more about what you do. At the same time, we recommend that members of your group find seats at other tables. It's a fun opportunity to enjoy other organizations' treats and get to know more about the great work happening in our community.

What does the Chamber provide for tables?

The Chamber will supply plates, cups and silverware for all guests.
